

Angel Fold

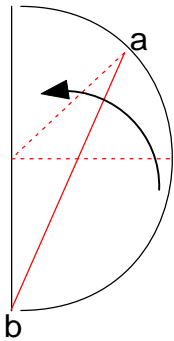

fold circle in half

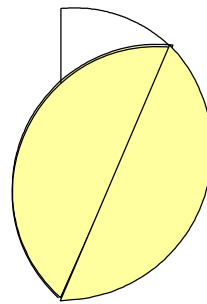

Fold in half again

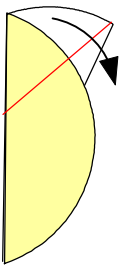

Fold top layer down matching edges

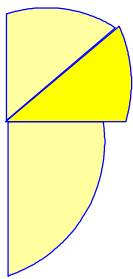

Unfold the last two folds so that you have a half circle. Using your previous fold lines a and b as guides make a fold line from a diagonally down to the center (b).

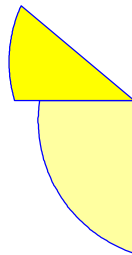

Your tile should look like this. Flip it over and repeat on the other side.

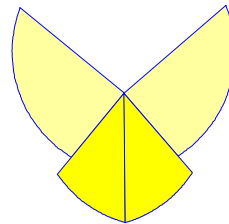

Fold the top layer down as shown

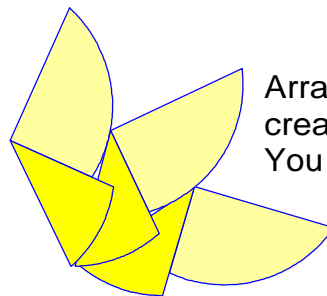

Your tile should look like this. Flip it over and repeat

This is the finished fold

Put two together to make an angel

Arrange as shown to create a medallion. You will need 11 tiles
